These are the suggested unit to be teaching during this time. There has been a lot of thought that has gone into this plan, and the sports and events are closely tied to our school sports schedule. Please try to stick as closely to this year plan as possible, as the equipment must be shared between the two gyms and if not followed could cause a shortage in equipment as the two gyms might need to share.

If you do need to use the equipment outside of your PE class time, please communicate with me and the PE teachers that will be teaching during that time.

Thank you for all you do to help promote physical activity and active lifestyles to our students. If you have any questions or need some help with a unit, please don't hesitate to ask.

Sincerely,
Mike McCorquindale
