Red Deer Child Care is a non-profit organization that has been serving families in the City of Red Deer since 1970.

Red Deer Child Care gives parents the ability to choose a child care arrangement that best suits their needs.

A fun, safe and secure environment in which children can learn, develop and grow.

A place where all children are treated with dignity, respect and where their individual needs are met.

An opportunity for parents and staff to build the connection between home and our program, which is essential to a successful child care experience.

## School Age Programs

Our Accredited School Age Programs operate before and after school. Fun, action packed day programs are offered during all school holidays.

School Age Programs are located in or connected to elementary schools throughout the City of Red Deer in both the public and Catholic School systems.

Programming is based on children's interests and needs and is offered to children five to twelve years of ages.

**RDCCS is a licensed and accredited childcare facility. It offers subsidy for children who need before and after school care.**
