

## **EXAMBANK IS AT YOUR SERVICE**

As the new school year began, some students started using ExamBank right away to get ahead of the game by looking into units and learning expectations for the year. Some others just feel reassured in knowing that ExamBank is available to them at any time, ready to help them through their unit tests, final assessments, or anytime they need it.

Regardless of a student's work habits, using ExamBank to review from home has become even more popular this year, in part due to an increasing number of teachers assigning ExamBank practice tests as homework. This system can provide teachers (or parents) with a summary of individual results, emailed directly to their inbox. All a student needs to do is provide the email address of someone they want to share their results with, once they have completed a test.

Every month, questions and solutions are added or updated by diligent educators contracted to ensure ExamBank remains a robust and superior study tool. These experts are invaluable, especially in times when curriculum is changing. Although sometimes it can be challenging to keep up with these changes, pride is taken in our commitment to offer relevant, on-topic material.

## **GAME DAYS AHEAD / LEARNING COMMONS OPPORTUNITY**

Beginning November 21st, participating students are GUARANTEED to learn something new when they embark on the [Noggin Hoggin' Challenge!](#) They'll solve puzzles by reading between the lines and using all areas of their "noggin". Surfing the net, consulting with any and all experts they have access to, and identifying reputable sources will be vital to their success. Encourage a keen student or an entire classroom to register today, and remind them to attempt to [solve the Headstart clue](#) to obtain a free pass on one of the questions. This challenge richly complements the collaborative investigation that takes place in a Learning Commons environment.

The Noggin Hoggin' online game is for Canadian Kindergarten to Grade 12 students, and consists of a series of daily brainteasers, released over 6 days. It's FREE to play, and an email reminder will be sent out on game day. The top 50 finalists receive T-shirts; while the top 3 qualify for GRAND prizes!

## RELAY YOUR LOGIN INFO

Many schools update their password at the start of the school year, and to facilitate fanning it out to teachers and students, we've got just the tool. Our bookmarks and classroom posters have a space to jot down both the username and password. Students find it especially handy to have a bookmark (with their username and password) in their agenda for reference. [Visit our web site](#) to request your package today at no cost.

Here are the current details for your [alberta.exambank.com](http://alberta.exambank.com) account:
