Locations:

We would like to write exams in rooms that students are comfortable in, where they've taken the course - if possible. Some groups are larger than others and will need bigger rooms with tables.

I'll be making a list for accommodations and proctoring - count on being in your own exam - unless it's a Diploma (and then spreading the work around a bit so it's not all on one/two people) Please let me know if there are exams you should/shouldn't be proctoring (Besides diplomas, I already know that :)
